

# Joey Augustinien

Product Manager · Conversational AI

 joey.augustinien@gmail.com  +33 7 86 10 16 58  Paris, France

## PROFILE

Product Manager with 8 years in digital, specialized in conversational AI products. Hands-on end-to-end ownership of large-scale chatbots at Orange and ENGIE: user discovery, roadmap, testing, deployment and impact measurement.

## EXPERIENCE

**Product Manager – AI Chatbot** | **ENGIE · Degetel** *Dec. 2024 – Present*

- ▶ Led full chatbot platform migration: product vision, functional specs, Go/NoGo testing, and go-live
- ▶ Owned the product roadmap; prioritized backlog by user impact and technical feasibility
- ▶ Partnered with Care and Ops teams to align business needs with AI agent capabilities
- ▶ Facilitated workshops on conversational AI best practices and tooling adoption

**Product Owner / UX Designer – Chatbot** | **Orange · SpeakUX!** *Mar. 2020 – Jun. 2023*

- ▶ Full ownership of conversational chatbot product deployed to millions of users
- ▶ Redesigned billing flow: +20 pts user satisfaction score measured post-deployment
- ▶ Optimized in-bot satisfaction collection mechanism: +30% response rate
- ▶ Designed conversational trees, dialogue flows and human escalation paths
- ▶ Stack: Dialogflow, Rasa, Figma — Agile Scrum

**Digital Communications Manager** | **Orange** *Sep. 2018 – Nov. 2019*

- ▶ Developed innovative communication solutions for the HR division
- ▶ Produced multimedia content (photo, video, web integration)

**Editorial Project Manager** | **Nouvelle Cour Agency** *Apr. 2017 – Sep. 2018*

- ▶ Managed web and editorial projects (FR/UK) for MaxHavelaar and YouTube France
